

HCRA President's Message

Board@HCRAFairfax.org

Dear HCRA Members,

We are living in uncertain times, and while precautions are necessary, we are confident that our community will band together to face these challenges. Please keep in touch with your neighbors and make sure that they are safe.

Also, please look to our website (<http://www.hcrafairfax.org>) for up to date information as things come up and change. The Board has chosen to proceed with its monthly meeting on Thursday, March 19th (via telecom) as the Board needs this time to make some decisions about how it will proceed with current events and try to maintain our boat on its course....as summer is right around the corner. We are asking that if you have any questions or concerns, you submit them to Board@HCRAFairfax.org. All emails will be answered as soon as possible.

Additionally, be on the lookout for the new HCRA email message service. We have invested in a MailChimp account which will allow us to message directly to our membership with important updates and information throughout the season. The first welcome message will be sent out this month.

The Board is gearing up for a great season and working diligently behind the scenes to ensure that everything is ready for our Memorial Day start. We have a healthy financial start to this year; thank you to all our members that have paid their dues on time and are working under our annual operating budget of approximately \$220,000 this year. The Association currently is holding an additional \$90,000 in liquid reserves to be used towards investment in various projects this year.

Because of the current advice to limit large gatherings, the Board will be making some announcements regarding changes to the planned annual meeting, and please look for those in our future messages and website.

High Sierra Pools is currently recruiting lifeguards for our pool and was slated to hold a hiring meeting at our clubhouse on March 24th from 4 to 6 pm. HCRA will post information regarding the lifeguard recruitment on our website. If you have a son or daughter who is interested, please have them submit an application online at www.highsierrapools.com.

For all HCRA news and information, please visit us at www.HCRAFairfax.org.

Best wishes, stay safe, and be healthy,
Adrea Marshall, HCRA President
