

HCRA President's Message

www.HCRAFairfax.org

Dear HCRA Members,

The Board's next meeting is on Thursday, April 16th which we will be holding via ZOOM (login instructions to the meeting can be found on our website's home page). If you are unable to make the meeting, please submit any questions or comments to Board@HCRAFairfax.org. All emails will be answered as soon as possible.

HCRA sent out our first email message (via MailChimp) last month. If you would like to subscribe to the email list, please find a Subscribe button on our home page and follow the link to the sign-up page. We will be sending messages directly to our membership with important updates and information throughout the season.

The Board is working closely with High Sierra Pools to proceed with pool opening for this season. At this time, we are looking at a possible delayed opening date of mid-June. This is dependent on the progression of the COVID-19 in our area and we are following all governmental and health guidelines. We will keep you updated on our progress. Please find the most up-to-date information on our website.

As we continue to move forward with our summer plans, we are asking our members to update their online CellBadge accounts or to let new families who recently moved into the community know about registration via our online system. There is a link to the CellBadge system on our home page (or click <https://www.cellbadge.com/hamptonchase/?register>). Prior members can access their accounts with the email and cell phone number used when registering last year. If you need instructions on how to access the system, please find them here at <http://hcr Fairfax.org/hcra-cellbadge-pool-pass-registration/>.

We are canceling all in-person pool picture days for April and May, but we are available to help members via video chat or phone to obtain access. If you need assistance or have new pictures of family members that need to be uploaded to the system, please email Info@HCRAFairfax.org and we can manually assist members or upload new photos (please label each picture with full names).

For current HCRA news and information, please visit us at www.HCRAFairfax.org.

Best wishes to all to stay safe and healthy,
Adrea Marshall, HCRA President
